#### SCHOOL NOTES.

Neva Johnson is back to school again after recovering from sickness.

An additional arithmetic class has been formed in the high school.

Irene Tappan and C. R. Holden were high school visitors last week.

Nita and Moxie Holden were visitors in the intermediate rooms last week.

Eight hundred ninety one books were drawn from the library last term.

Tuition fees to the amount of \$100.14 were collected from foreign students last term.

Mr. Roode supports the recommendations of the state board of health in urging vaccination.

Through the generosity of Staley & McKeith each room was presented with a beautiful calendar.

The pupils of the second primary department have gone into training for drill, which will take place at the Farmers' Institute.

Frye's presentation of David Harum, we hope, resulted in a moral influence upon the auditors. The hero of the story was helped in such a manner as would form a foundation for many students.

Tuesday after school, the Seniors met the second time for purpose of making an assault upon the subject of choosing a motto and class colors. It was not, however, until compelled by darkness to adjourn, that they agreed upon terms of peace.

During vacation, the high school building was given a dose of health restorer, which has decidedly improved the interior. The basement steps were repaired; five new seats placed in the high room; and the grammar room supplied with a rack for holding dumbbells. The removal of the platform for the teacher's desk in the high room is so satisfactory that the platforms in the other rooms will also be removed.

The number of students enrolled in the high room last term were, 74; average daily attendance, 68. Grammar department: number enrolled, 45; average daily attendance, 41. Second intermediate department: number enrolled, 45; average daily attendance, 41. First intermediate department: number enrolled, 59; average daily attendance, 55. Second primary department: number enrolled, 34; average daily attendance, 29. First primary department: number enrolled, 51; average daily attendance, 40. Whole number enrolled, 308; average daily attendance, 372.

#### Blown to Atoms.

The old idea that the body sometimes needs a powerful, drastic, purgative pill has been exploded; for Dr. King's New Life Pills, which are perfectly harmless, gently stimulate liver and bowels to expel poisonous matter, cleans the system and absolutely cure constipation and sick headache. Only 25c at Grant Holden's drug store.

Persons who suffer from indigestion cannot expect to live long, because they cannot eat the food required to nourish the body, and the products of the undigested foods they do eat poison the blood. It is important to cure indigestion as soon as possible, and the best method of doing this is to use the preparation known as Kodol Dyspepsia Cure. It digests what you eat and restores all the digestive organs to perfect health. Grant Holden.

**Star Poultry Powder**  
Pays for itself ten fold. All you have to do is feed it. As an egg producer and a cure for cholera, etc., it has no equal. Sold everywhere, 25c.
